

GERMANS HOLD HOPES OF INVADING CANADA.

Senator Lougheed Gives Warning of Result of En- emy's Victory in Europe.

Ottawa, Jan. 19.—Declaring that in the United States there were from 10,000,000 to 12,000,000 Germans, many of them military reservists, who had long dreamed of seeing German authority established in North America, Hon. Senator Lougheed, minister without portfolio and government leader in the Canadian Senate, urged the people to greater effort in aid of the Allies, in a speech during the debate on the reply to the speech from the throne.

"Canada's security can only be established by a victory over Germany," declared Senator Lougheed, who said these German-Americans had vision of the fatherland one day dominating North America. "Let the allied lines be broken through by Germany and an avenue upon the seas gained by Germany, and Canada would be invaded by Germans brought to Canada's shores in transports and Canada's boundary would be crossed by German reservists living in the United States."
