

RIOTS NOT DOMINION AFFAIR.

Gen. Hughes Says Western Trouble
is a Provincial Matter.

Special to The Star.

Ottawa, Feb. 12.—Questioned this morning concerning the riots at Calgary, General Hughes stated that the whole matter was in the hands of General Cruikshanks and the military authorities of the district. No action had been asked for from Ottawa.

"If there are alien enemies out there," said General Hughes, "there is a law to cover the situation, and they can be interned if it is found necessary."
