

Vancouver Automobile Club—The regular meeting of the Vancouver Automobile Club will be held in the club room of the Hotel Vancouver this evening at 8 p.m. The question of seeking to have the connecting link of the proposed trans-provincial highway between Hope and Princeton, which has already been taken up by the Princeton board of trade with the provincial government, completed by the employment of interned alien labor, and which the members of the several committees endorsed at the get-together luncheon held on the 13th inst., will be further discussed, as the completion of this highway will mean a great deal to the autoing tourist. Ladies are invited to attend.
