

CAPT. LAMBKIN'S POST

TRANS-PORTATION OFFICER

Transportation Officer Under Hospitals Commission

(Special to The Gazette.)

Ottawa, December 17.—Captain J. B. Lambkin, assistant general passenger agent of Government Railways until a few years ago, has been ap-

pointed transportation officer under the Military Hospitals Commission. He will superintend the arrival of all invalided Canadian soldiers and make all arrangements for their speedy and comfortable carriage by rail to their various destinations.

Captain Lambkin, who was formerly in Montreal, has had 35 years' railway experience. Latterly he has had charge of the transportation of enemy aliens under the Canadian internment regulations.
