

Austrian Fined \$200

The Austrian who was arrested a few days ago at Chippewa on a charge of having liquor on property other than private residence and whose case was enlarged until today appeared before the magistrate this morning.

While many arguments were advanced to clear the Austrian from violating the temperance act. The magistrate was satisfied in his mind that it was a clear case of violation of the law in as much as it was a boarding house and imposed the fine of \$200 and cost.
