

ALIENS MUST LEAVE MINES

Drastic Measure Taken by Hon. W. Sloan Towards Enemy Subjects Working at Nanaimo.

VICTORIA, Jan. 30.—As the result of the investigation which Hon. William Sloan, minister of mines, ordered into the reports that alien enemies, heretofore interned, had been released to work in the coal mines in the neighborhood of Nanaimo, Chief Mines Inspector Graham, who visited the mines, has ordered twelve aliens removed from the Nanaimo collieries. He is continuing his investigations in other collieries on the island.
