The Number of Aliens Held Reduced By About Two-Thirds.

Ottawa, March 7.—There are now 2,646 ~~enemy aliens~~ in the internment camps throughout the country, of whom 1,501 are Germans, 1,135 Austrians, and 10 Bulgarians. There have been 7,751 in the camps up to November last, but many of these have been given comparative freedom, as they were not regarded as dangerous.
