HAMILTON RECRUITERS GET STRAIGHT ANSWER

RETURNED SOLDIER NOT FOUND QUALIFIED FOR PENSION OFFICE.

(Special Despatch to The Globe.)

n, June 4.—Col. Labatt, and Major Buchanan of Hamilton, June chairman, and Major Buchanan of the Pensions Board met the Hamilton Recruiting League to hear complaints over the fact that a returned soldier had not been appointed Pension Officer here. F. T. Orgill, the possessor of an A.R. button, had been given the position. This afternoon Major Buchanan said they had made every endeavor to get a returned soldier who was qualified for the position. It was offered to Lt.-Col. Ballard and Lt.-Col. McGullough. Mr. Orgill applied, and was told that he could not have the position unless he volunteered again for active service and was rejected. He did offer himself, and was rejected for overseas, and then secured the position. Major Buchanan said that out of fourteen pensions officers appointed, eleven were returned soldiers and the other three A.R. men.

F. W. Tresham of the Great War Veterans' Association complained because the board paid one of its employees only \$600 a year. Col. Labatt said if the League had a returned soldier qualified for the position he could have it. The League then passed a resolution thanking the Pension Board members for coming here and making such a satisfactory explanation of their action.

The Police Commissioners this afternoon made good their threat to refuse a license of any kind to an alien enemy. The board declined to renew the pool-room license of J. Ivanhoff, a Bulgarian, who had been in business here for twelve years. Mayor Booker said that all licenses held by alien enemies should be taken from them and given to returned soldiers. J. McDonald was granted a pool-room license for 697 Barton street east, although there was a largely signed petition against it.
