

MAY BE INTERNED

Rioting Austrians Likely to Have Liberties Curtailed.

WINNIPEG, July 21.—Twenty-one of 25 alien laborers, who are alleged to have precipitated a near-riot at the Government elevator, Transcona, on Thursday evening, probably will be sent to Brandon internment camp tonight.

The other five, according to military officers, will be tried in civil courts on charges of being non-registered aliens, and will follow the other 21 if convicted.
