

NO HOMESTEADS FOR HUNS RETURNING HERE

Senator Bradbury Would Keep
Out Those Who Fought
Against Us.

Special to The Star.

Ottawa, April 24.—Senator Bradbury has given notice of an amendment to the Dominion Lands Act which would exclude from homesteading privileges all Germans and Austrians who once resided in Canada but returned to Europe, and who may come back to Canada after the war. It is felt that many of these men went home to join the enemy armies.

Hon. G. H. Bradbury.
