

COUNTRY HE CAME FROM IS UNDER TURKISH GOV'T.

Mohammed Antoine, 127 St. Laurent street, Hull, an alien enemy, arrested on Saturday in Ottawa for not being registered in compliance with the provisions of the Order-in-Council governing alien enemies in Canada, was turned over to the militia authorities this morning and will likely be sent to an internment camp.

Antoine claimed in court that because he is an Assyrian, he is not an alien enemy. As the part of Assyria where he came from, however, is under Turkish government, the court held that he is an alien enemy and should have registered.

Antoine came to this country several years ago.
