

WOULD CONFISCATE ALIEN PROPERTIES

War Veterans Think Time Has Come for Action.

WINNIPEG, May 16.—With the selection of Montreal as the next meeting place of their convention, the delegates to the Army and Navy Veterans' convention finished their first annual gathering yesterday.

Among the list of the resolutions passed was one to confiscate land held by aliens within the Dominion, such land to be sold by auction for the benefit of war purposes.

Following a hotly contested fight at the morning session, Winnipeg beat out Ottawa in the race to secure the Dominion headquarters of the Army and Navy Veterans' Association of Canada.

R. C. Irving of Winnipeg was selected Dominion secretary; Rev. Dr. J. B. Solcox, Winnipeg, was appointed chaplain, and Ed. Low, treasurer.

Representatives on the executive were appointed as follows. British Columbia, E. A. Pooley, Vancouver, and Albert J. Tees; Saskatchewan, Major J. B. Jenkins, Weyburn; Manitoba, Sergt.-Major Wheeler, Winnipeg; Ontario, Sergt.-Major Smithson, Ottawa; Quebec, Sergt.-Major Cross, Montreal. The representative for Prince Edward Island will be the president of the Charlottetown branch.
