

BREAK UP MONTREAL BOLSHEVIKI RALLY

Fourteen Alleged Leaders Taken By Police.

MONTREAL, July 29.--On the strength of an incendiary circular of seditious nature, written in Yiddish and calling upon workmen to protest, "against the attempt to demolish by force the freedom and self-ruling of the Russians" the Dominion Police, under Capt Carter, registrar of alien enemies raided a Bolsheviki meeting at Prince Arthur Hall in this city yesterday and arrested fourteen men, who were subsequently taken to alien headquarters for further examination.
