

FERNIE MINERS

TO GET SUPPORT

Lethbridge Willing to Go Out in Support of Request for Sin- gle Shift in the Mountains.

LETHBRIDGE, Alta., Sept. 9.—The miners of the Lethbridge district mines are all at work today, but it is understood have discussed the matter of a strike in support of the Fernie miners' request for single shift in the mountain mines. There is little doubt that they will strike if a direct appeal is made to them for support.

FERNIE, B. C., Sept. 9.—No concessions having been made by the mine operators here up to date, the miners of Gladstone local located here and those at Michel in accordance with the unanimous vote passed on Thursday are sending out an appeal to the locals of district 18, asking them to strike in sympathy with them. The men are trying to get the coke men to go out which they are likely to do.
