It has been ascertained through the Colonial Office that repatriation is now possible of a number not exceeding one hundred adult males.

Enquiries will at once be made of the British Government as to what disposition is to be made of the 800 men who were transferred from the West Indies.

The property of interned prisoners will remain subject to the regulations and powers conferred as heretofore. The restitution or ultimate disposition of such property will depend on the stipulations of the treaty of peace. In cases where the money of alien prisoners is in the hands of the Director of Internment Operations, there may be paid to each of such prisoners upon deportation, a sum not exceeding \$75 as a provision for travelling expenses.

Are 1,700 Germans.

A report from the Director of Internment Operations shows that there are at the various camps throughout Canada 2,222 enemy aliens of whom 1,700 are Germans and the remaining 522 Austrian and other enemy nationalities. Practically all of them belong to the laboring class. Of the 1,700 Germans, 800 were transferred from the West Indies and are held at the request of the British Government.
