WINNIPEG, June 28. — All those arrested during Saturday's rioting will have a chance to get out on bail, Hugh Phillips, K.C., special prosecutor, announced yesterday.

He denied a statement that a certain number of aliens classed "A" as being liable to deportation, would necessarily be deported without trial or held without bail.

### Investigate Each Case.

Officers of the R.N.W.M.P., and Immigration Department, are investigating each individual case, and only those whom the immigration authorities wish to be deported will not have a civil trial, he said.

Twenty-nine persons charged with rioting appeared in Police Court Friday. All were released on bail. Nine were remanded until July 3, and 20 until July 4.

Informations have been issued against a number of riot patients confined in the General Hospital.

### Served With Warrants.

As soon as they are released they will be served with warrant on the charges of taking part in the riots in which they were injured. The information has been laid at the instigation of the Attorney-General's department and has been placed in the hands of the city police for execution.

Hospital authorities declare that their condition is improving and that they will be able to leave the hospital in a few days.

### Charged With Inciting Riots.

John Hantscharuk, of German birth, was arrested yesterday on a charge of taking part in the riot of last Saturday. He is a prominent figure in Bolshevik politics in the city and has occupied the attention of the police many times, on account of his alleged pro-German sentiment.
