

CANADA DEPORTS 1,000 "REDS"

Work Has Been Done Quietly for a Year, Says Lt.- Col. Date

(Canadian Press Despatch.)

Montreal, Jan. 19.—Referring to the recent deportation from the United States of prominent "Reds," Lieut.-Col. W. E. Date, Commandant of the Canadian Internment Camp for **Enemy Aliens** at Kapuskasing, stated here to-day that Canada had been in advance of the United States in such action. In June last during the labor troubles in Winnipeg, the Royal Northwest Mounted Police had quietly gathered in about 100 prominent "Reds" from Winnipeg and had shipped them to Kapuskasing, from whence they had later been deported to their European homes without any publicity whatever. More Reds are still to go.

During the past year well over a thousand **enemy aliens** had been shipped from Canada, and more were to go, he said.
