The Camps is a Cross-Canada journey that looks at all 24 concentration camps in Canada when over 8,500 people were wrongfully imprisoned from 1914 - 1920. Hear from internee descendants, Archeologists, Scholars and Military on why these internment operations are relevant today, over 100 years later.

The CFWWIRF digital map also contains **over 8,000 digitized news articles** dating from 1914 to 1920 that describes the opinion of the time and presents the hardship unjustly endured by new immigrants who were invited to Canada and then had their civil and human rights taken away by the *War Measures Act*.
